Governments Recommending Precautions for Mobile Phone Use Among Young People

<u>Country</u>	<u>Warning</u>
India	No use in children under 16 years of age
Japan	General limitation under 18 years of age
Russia	General limitation; no use under 12 years
France	No long calls; no use under 16 years of age
Israel	No use under 12 years of age
United Kingdom	General limitation under 12 years of age

Note: The United States does not officially recognize mobile phone health risk problems. However, the National Research Council has now recommended more research on the risks of cell phone use in children and pregnant women. This is the first such action by any U.S. government agency.
